

Mesquite Friendship Christian Academy Permission for Criminal Background Check

Mesquite Friendship Christian Academy (MFCA) requires applicants, employees, and volunteers to submit to a criminal background investigation as part of the hiring/volunteer process. The criminal records division of the state police performs the investigation at the school's expense. Your fingerprints may also be forwarded to the FBI for a national criminal background check as well. If you will be driving any school vehicles, even occasionally, your driving records will be requested for the state's motor vehicles department.

Please complete the criminal history affidavit below, authorizing the school to perform a criminal background check. The affidavit, along with any resulting reports, will be maintained in the school's applicant and personnel files.
